WHAT IS VICTORY?

By Apostle Anthony

A strategic connection in spiritual labour: Revs. Doug & Linda Patterson, Intercessors for Jesus & Shekinah Restoration Centre

It's that moment when I choose to get up after being knocked down by life

It's that moment when I choose to forgive when everything in me cries for revenge

It's that moment I turn my back on fear, doubt and unbelief; when I let go and trust God to catch me when I fall

It's that last ounce of strength that causes me to worship when all I want to do is curl up and cry because I can't take it anymore

It's that moment when my last support has left me and I feel alone and desperate, but still I stand knowing this too will pass

It's the grace to be kind to someone who you know will never be able to repay you

It's the strength to feel pain and still remember who you are and not bow to the demands of your own body

If you can do these things everyday for the rest of your life then you, my friend, will never be numbered among the failures of this life

Remember it's not what you get, but WHO GIVES IT TO YOU. – Apr. 2011

AN EMERGING GENERATION

There is a strong call now to train a generation to overcome and reign. Samuel is looking for the one who God has chosen – out of his family, culture, and contemporaries – to lead a people.

Saul's time has passed and David's time is now. We receive eyes to see the ones who have been tending the sheep, killing bears & lions and are about to take out Israel's enemy. Is it you?

The Spirit of our Apostolic Family:

whatever it takes
to be who God has
called us to be!
