## TWO THOUSAND & ELEVEN

*The following is a prophecy by Apostle Anthony Nelson, taken from Possessing our Inheritance, Jan. 1, 2011.*

*Two thousand and eleven I believe is the year of overcoming the loss of some close friends, some dreams, some visions, some things that didn't happen last year. It's also going to be the time when the presence of God is going to be so much stronger than ever before.*

*This year, there are some people that you will intercede for, but you won't rescue them. That's God's business.*

*We're going to see more exposed ministers because they have no relationships. We're going to see more losses financially because everybody is trying to build and sustain themselves on their own without godly, ordained relationships. We're going to see churches close and churches open up. We're going to see financial disasters, but we're also going to see supernatural power on the earth like never before. We're going to see some come to a level of relationship with God and man that will literally change our world.*

*It's a year of manifestation. It's a year of power. It's a year of strength. It's a year of provision, but it's also a year of testing of relationships. It's a year when God is going to prune us in order to build us. It's a year of having more faith than we've ever had before. It's a year of trusting God like you never have before. It's a year when things are going to fall apart, but God is going to build up something that you never knew was there.*

## FORTY ISSUES + ONE

Ten years ago, **Faith Bite** began as a thought – a God thought. A regular letter from Anthony & Cheryl Nelson's desk to family, friends and supporters from their travels was about to go to another level. With forty issues completed, I can say that the heavenly Father has sustained us through every Word we've received from Him. We hope it's encouraged your measure of faith. The just have and will continue to live by his faith.

## FAITH CARE ACADEMY RISES AGAIN AS A HOME DAYCARE

The home is the first place we are trained. In Sept. 2001, Faith Care Academy began as a home daycare in the home of Anthony & Cheryl Nelson. The aim was to raise up faithful, consistent achievers. For over two years both daycare and before and after school children came into Faith Care.

Then in 2009 after a rest period, it rose again with one student and the Nelson's eldest daughter, Danielle, becoming the main caregiver. Today, the heart to have an ark remains along with an ardent desire for young arrows' minds and bodies to be sharpened for their generation. Faith Care Academy presently provides daycare and childcare service for nursery-age to six years old and it has grown to five part-time students. For more information on daily, weekly & monthly rates, please contact FCA Director Cheryl Nelson or Danielle Nelson, FCA's Early Childhood Educator at (905) 427-7438.

## WHAT GOD LOVES

*By Davina Nelson*

God loves kindness and gentleness  
so we should be kind and gentle  
If we aren't, God will punish us or  
our parents will  
So we should have fun and be good  
*Faith Bite, Summer 2001*
